Descripción de las Áreas Evaluadas

| Category Name | Category Description |
|------------------------|--|
| Assertiveness | An assertive person expresses and defends their ideas decisively and confidently, while also respecting the points of view of others. |
| Responsibility | It refers to holding oneself accountable for achieving one's objectives and also recognizing failures, without looking for excuses, evading, or blaming others when things go wrong. |
| Inspirational | It is the ability of a person to create a vision and transmit it effectively to others, motivating them to achieve the objectives. |
| Emotional Intelligence | It is a person's ability to be empathetic and take into account others' emotions as well as to control their own emotions. |
| Charisma | A charismatic person naturally attracts and captivates others. People want to listen to and follow a charismatic person. |
| Strategic Planning | It refers to aligning objectives and plans according to a long-term strategy and vision. |
| Communication | It is the capacity of a person to transmit their ideas to others effectively, achieving that the other people understand and assimilate what they want to express. |
| Organization | It is the ability to organize and plan for oneself as well as for others. |
